**Step 1:** Lay cooler body upside down on a soft surface.

**Step 2:** Install cooler legs with screws onto bottom of cooler body. Loosely tighten.

**Step 3:** Lay shelf on top of legs. Top of the embossed Old No.7 Logo should be facing the bottom of cooler.

**Step 4:** Screw wheels into legs. Locking casters on same side. Now go back and tighten screws holding legs. Once done stand cooler upright.

**Step 5:** Place 2 screws into cap catcher location. Tighten. Slide bottle cap catcher over screws and lock in place.

**Step 6:** Install handles onto side of cooler body with screws. Tighten securely.

**Step 7:** Install knobs to cooler body lid with long screws. Tighten securely.

**Step 8:** Place drain plug through hole. Threads facing back of cooler. Slide rubber washer and nut over threads. Tighten securely.

**Step 9:** Fill Cooler with your favorite beverages and you're ready to roll. Enjoy!
